

BLUE COLOUR DAY CELEBRATION

On 05th July 2022

Name of the Program : Rain Bonanza

Theme : Save Water

* Blue Day was an amazing learning experience which had a long lasting effect on each student.

Early identification of colours helped to create the cognitive link between visual clues and words which is an important part of a child's development.

The Colour Blue represents both the sky and the sea and is associated with open spaces, freedom, intuition, imagination, inspiration and sensitivity.

Blue Colour also represents meanings of depth, trust, loyalty, sincerity, wisdom, confidence, stability, faith and intelligence.
