

REPUBLIC DAY CELEBRATION

ON
26th January 2023

Republic Day celebrates the adoption of the Indian Constitution. The Indian Constitution was adopted on 26th January 1950 and was made by the Drafting Committee, headed by Dr. B.R. Ambedkar. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj.

Republic

The Indian Constitution's guiding Concept is "of the people, for the people, and by the people," Which means power is vested in the population of India.

In order to keep the students connected to their nation and its history, it is important to celebrate Republic Day in school every year.

Students took part in events such as 'Republic Day'. The children dance, sing, on that day.
